## BIOGRAPHY

Esox is a talented DJ and producer from Hamburg, known for his energetic performances and innovative productions in the realms of EDM, Bass House, and Tech House. With a deep passion for music, his journey began early on as a drummer, eventually leading him to music production and event technology.

Esox began his musical career playing in several bands before establishing himself in the electronic music genres. After his time in bands, he transitioned into DJing and has since organized his own events, remaining active in the event industry.

His ability to electrify any dance floor with his powerful drops and modern sounds, inspired by artists like Tujamo, Plastik Funk, Hardwell, Noisia, and Skrillex. His work has garnered support from some of the biggest names in the industry, including Afrojack, Alle Farben, Armin van Buuren, Bingo Players, Dimitri Vegas & Like Mike, Don Diablo, Fedde Le Grand, Mike Williams, Plastik Funk, R3hab, Sam Feldt, Steve Aoki & Timmy Trumpet.
